

North Fork | January 1 to March 31

In Daniel Gale Sotheby's International Realty's ongoing endeavor to provide informative and timely information, our Long Island Market Reports are published quarterly. Since seasonality is a factor, comparisons are made to the same period of time for the prior year. We invite you to call with any inquiries.

Median: The threshold which divides the real estate market into two equal halves, in reference to pricing. One half of the homes in the market were sold at a price above the median home price, while the other half were sold below that price.

Average: The sum of prices of all homes sold in a certain area in a certain period, divided by the number of properties sold in the same area in that period.

Listed Properties: Represents the number of available properties as of March 31.
