Residential on 0.29 Acres

N/A, Roslyn, NY

The historic Williams-Cornell house dates to 1788. It sits across from Gerry Park and has lovely views of the park, the Mackay horse statue, and the village ponds. Occupying more than 1/4 acre, the house contains 4 bedrooms and 2 full baths. The light-filled eat-in kitchen was recently renovated and has granite counters and stainless steel appliances. The Living Room has a cozy reading nook and a wood-burning stove/fireplace, while the spacious formal Dining Room includes a bar area with a sink, wine refrigerator, and a built-in china cabinet. The light-filled Primary Bedroom suite occupies the entire second floor and features a view of Gerry Park, a bay window, an office area, a walk-in closet and a full bath. Upstairs, there are three more bedrooms and another full bath. Two of these bedrooms include loft space that can serve as additional storage, or a fun place to have a sleep-over. The back patio can be accessed from both the first and second floors. Here, you'll find a wonderful vantage point from which to view the park across the street, and to view the charming replica of the Statue of Liberty, whose torch provides ample light to the patio. Additional statues occupy other corners of the property, offering enchanting surprises where you least expect them. The home is convenient to Roslyn's delightful shops, its numerous outstanding restaurants, its beautiful library, the LIRR, and its vibrant community. The Nassau County Museum of Art and the

Americana Shopping Center in Manhasset are minutes away. Roslyn School District
