Enough can't be said about this diamond condition masterpiece. Located at the end of a tree lined cul-de-sac, steps away from the water with beach access, this center hall colonial boasts too many updates to list. Built in 2007 and renovated to perfection in 2021, this home needs absolutely nothing, including the whole house Generac generator to ensure no issues during storms when being so private. Starting with the Harley Davidson inspired garage, moving into the chefs dream kitchen and flowing into the dining or living rooms, this is the layout today's homeowners are all seeking! Bedrooms are oversized, while bathrooms have expansive windows looking out to panoramic views with ultimate privacy. Saving the best for last, the kitchen and living rooms flow perfectly out to the unreal backyard. No detail was spared when carefully designing the resort style grounds featuring a hot-tub flowing into the inground pool. Much More about the updates- Ask Agent for Capital Improvement List
